

## Console Table

A Companion Table to the Caretta Office

The Caretta Console Table features a solid cherry wood top, with attractive wood accented legs and functional lower shelf. This table is a great place to sit a lamp, artwork, or other items to display in your home or office. The table can be used as a console table or a sofa table.

The thick solid cherry table top features beautiful wood grain, a bull-nose edge and wood finish that are the same used in other Caretta Workspace products. This makes the Console Table fit perfectly into any Caretta office.

- Solid Cherry Wood Top
- Lower Shelf
- Wood Accent Legs

The thick, solid cherry top shows off the unique wood grain patterns. Each Console Table is one of a kind.

## Console Table: Features

### Attractive Look

The clean lines of the Console Table legs with the organic shapes of the top and shelf make this table an attractive piece in any office or home. The dramatic wood grain patterns in the thick solid cherry top make each table truly unique.

### Premium Solid Cherry Hardwood

The solid cherry hardwood used in the Console Table top is selected for its unique grain patterns, then finished with a durable, bright, natural cherry finish. Each piece goes through a detailed 10-step finish process, which is perfected with time and hand work.

### Lower Shelf

For an additional place to showcase artwork, framed pictures, speakers, or other items, the lower shelf is the ideal space. The organic shape of the shelf is elegant, yet functional.

### Felt Pads on Feet

To protect your flooring, there are felt pads on the bottom of each foot of the table.
