Premium Wood Desktop Riser Shelves

A Desktop Riser Shelf is a good place to set your monitor

The Premium Wood Desktop Riser Shelf adds another level of functionality to your Caretta Desk by placing an additional shelf above your primary work surface. The solid cherry wood shelf attaches to the desktop, providing extra space on your desktop.

This shelf is the ideal place to set a computer monitor, as it positions the monitor at eye level with the desk user. All of the wires and cables from your monitor and speakers drop into the integrated cable tray, where they can easily link up with cables in the main cable tray on the desk.

The shelf is constructed of premium solid cherry hardwood with a sturdy steel frame and cable tray. Optional dimmable LED lights on the under side of the Desktop Riser Shelf flood light onto the work surface of the desk.

Versions:

There are three sizes of Desktop Riser Shelves, which are named Petite, Mid, and Full. They all have the ability to add a dimmable LED light bar, which illuminates the desktop.

- Raises Monitor Height
- Adds Space to Desk Top
- Hides Monitor Cables
- LED Lighting Available

Removing the wood cover panel on either side of the Desktop Riser Shelf reveals a cableway that passes wires from the riser shelf cable tray to the main desk cable tray. Once the cover panel is replaced, all of the messy wires are hidden from view.

Premium Wood Desktop Riser Shelves: **Features**

Premium Solid Cherry Hardwood

The solid cherry hardwood used in the Desktop Riser Shelf was hand selected for unique grain patterns and finished with a durable, bright, natural cherry finish. Each piece goes through a detailed 10-step finish process which is perfected with time and hand work.

Cable Management

There is a cable tray on the Desktop Riser Shelf that can hold all of the wires and power cables for your monitor, speakers, desk lamps, or virtually any other wired component that you would place on the shelf. Wires can easily be routed from this cable tray to the main cable tray underneath the desk.

Designed to Fit All Premium Wood Caretta Desks

The Desktop Riser Shelf can be attached to all premium wood Caretta Desks, including the Artistic Series Desks, Modern Urban Series Desks, Traditional Standing Desks and Traditional Computer Desks.

Optional LED Lighting

Add a dimmable LED light bar to the underside of the Desktop Riser Shelf. It provides extra light for your work surface.
